Our September Events

Last September was a busy and thrilling month for us as we participated in various education and tourism fairs, alongside several key announcements aimed at enhancing education in Malaysia.

Study in Malaysia Education Fair in Kazakstan

The Study in Malaysia Education Fair, organized by Education Malaysia Global Services, took place in Almaty, Kazakhstan, on September 21. The event provided an excellent opportunity to showcase ELC's English learning programs to prospective students and parents in Kazakhstan

Tourism EXPO Japan 2024

Datuk Lau Wai Cheng, representing NAPEI, attended the Tourism Expo Japan in Tokyo from September 26 to 29. The event was both fruitful and impactful, allowing her to connect with students, parents, teachers, and business associates while offering insights and guidance on studying in Malaysia. It also marked the official launch of the Malaysia Edu+ Programme for the Japanese market.

MoU between JOAS, MAG and NAPEI

On September 26, a significant MoU signing ceremony was held between Malaysia Aviation Group (MAG), the Japan Association of Overseas Studies (JOAS), and NAPEI. The event took place during the Tourism EXPO Japan in Tokyo. Through this MoU, all parties will collaborate to jointly promote the Edu+ program and MH Explorer, enhancing opportunities for students to study in Malaysia.

Launch of Edu+ Programme

The Malaysia Edu+ programme was officially launched in Kuala Lumpur on Wednesday, 9 October. This initiative, led by the Ministry of Tourism, Arts and Culture through Tourism Malaysia, in collaboration with the National Association of Private Educational Institutions (NAPEI) aims to enhance Malaysia's edutourism and promote cultural exchanges.

Our Students Activities

We continue to celebrate Cultural Days, and this time, we had the pleasure of experiencing the vibrant cultures of our Arabic and Japanese students. Their enthusiasm was both charming and contagious, making the event truly special.
