A chat with Ms Nur Zulaikha

Fondly known as Zu, Nur Zulaikha began her journey with ELC Malaysia as an intern during her studies at University of Putra Malaysia (UPM). She's now a full fledged graduate with a Bachelor of Arts in English Language and Linguistics and embracing her role as the Event and Student Affairs' Executive with us for the past few months.

She stumbled upon ELC early on and found the role both exciting and fulfilling. She has been passionate about building connections, supporting students, and making sure the mobility programme runs like clock-work. We've been inspired by her enthusiasm and commitment, as well as the personal growth she has demonstrated along the way.

We're excited to have Zu on board and can't wait to see all that she will accomplish in her journey with us.

What our students say about us

Kamoliddin Bobokhonov, Uzbekistan

Kamoliddin, who attended Kazak Federal University was awarded the Best Student of the Year in 2019 in Tatarstan. We are delighted that he has chosen ELC Malaysia to study English to improve his skills.

We had the opportunity to conduct a brief interview with Datuk Lau Wai Cheng and Kamoliddin at our Bukit Bintang school premise.

Pierre K, France

"ELC provides a comprehensive learning experience in a multicultural environment, offering a lot of chances to practice English. The school's convenient location in Kuala Lumpur adds to the experience, making it easy for me to enjoy the vibrant lifestyle of the city. The fact that ELC arranged accommodations make the decision to join even easier."
