### Happy Lunar New Year

As we welcome Lunar New Year, we celebrate a season filled with hope, gratitude, and new beginnings. This festive time reminds us of the importance of family, community, and togetherness, values that are at the heart of ELC. May the Year of the Horse bring wisdom, resilience, and success to all our students, families, and staff. Let us step into the new year with optimism and determination, embracing fresh opportunities to learn, grow, and achieve great things together. Wishing everyone a prosperous, healthy, and happy Lunar New Year!

### Study English in Malaysia

Studying English in Malaysia provides students with an excellent opportunity to learn in a supportive and multicultural environment. English is widely spoken in schools, universities, workplaces, and everyday life, allowing students to practice their skills both inside and outside the classroom. This constant exposure helps students improve their speaking, listening, reading, and writing more quickly and naturally. In addition, Malaysia's diverse culture enables students to meet people from different backgrounds, helping them build confidence and develop international communication skills.

Malaysia is also an attractive destination because of its affordable living costs, modern facilities, and safe surroundings. Students can enjoy comfortable accommodation, convenient transportation, and a wide variety of food and cultural activities. The friendly and welcoming community makes international students feel at home while they focus on their studies. By studying English in Malaysia with ELC, students not only strengthen their language abilities but also gain valuable life experiences, cultural understanding, and the confidence needed to succeed in a global environment.

### Our Students Activities

#### Valentine's Day

We celebrated Valentine's Day with a light-hearted and playful session with the students, filled with laughter, and creativity. The celebration concluded with a special wall dedicated to sharing well wishes, kind messages, and love for one another—reminding everyone of the importance of kindness, and friendship.

#### Lion Dance at ELC Campus

Our school welcomed the Lunar New Year with a vibrant and traditional Lion Dance performance on campus. The energetic drumming and lively movements of the lions brought excitement, laughter, and joy to both students and staff.

This meaningful celebration symbolizes hope, good fortune, good health, and prosperity for the year ahead. It was a wonderful way to usher in the new year together, sharing well wishes and festive spirit across our ELC community.
